Decision Makers

600+

Thought Leaders

60+

Speakers

Empowering Resilience

This summit is dedicated to advancing cyber resilience, fostering thought leadership, and driving collaborative innovation to stay ahead of emerging threats.

AI-Driven Security

By bringing together global experts, cutting-edge solutions, and real-world insights, we empower organizations to harness AI for defense, enhance security strategies, and build a cyber-aware future.

Unlock Exclusive Opportunities

Elite Network & Influence

Engage with powerful decision-makers, industry pioneers, and global security leaders shaping the future of AI-driven cybersecurity.

Exclusive CxO Engagement

With 40% of attendees being CxOs, this is the ultimate platform for strategic discussions, collaboration, and leadership insights.

Global Recognition & Thought Leadership

Backed by three consecutive years of CSA Global Awards, we bring you cutting-edge research, best practices, and real-world case studies.

Industry-Driven AI Cybersecurity

Explore AI-driven security solutions, Zero Trust frameworks, cloud security advancements, and strategies to combat emerging cyber threats.

Business Focused CxO Engagements

01 PRE-QUALIFICATION OF DELEGATES

CxO delegates are pre-qualified decision-makers, including CISOs, CTOs, and CIOs, with authority over budgets and product/service decisions.

Expect influential leaders from BFSI, IT/ITES, and emerging tech sectors, offering high-impact networking and investment opportunities for sponsors.

03 KEYNOTE PRESENTATIONS

Showcase your innovations to 150+ senior executives and industry leaders. Choose a 20-minute keynote, case study, or CxO Roundtable Discussion to engage and influence key decision-makers.

02 PRIOR NOTIFICATION OF THE DELEGATES

One week before the summit, sponsors will receive a list of confirmed delegates, including names, titles, and companies, enabling targeted networking.

Sponsors can also nominate delegates from their customer list for strategic interactions with key decision-makers.

04 PRODUCT RELEASE or SHOWCASE

The summit offers a prime platform to showcase your products and innovations to pre-qualified decision-makers.

Gain visibility, generate leads, and engage directly with CxOs, security leaders, and influencers seeking transformative cybersecurity solutions.
